

## International Scientific Conference SOCIEY. TECHNOLOGY. SOLUTIONS

## And

## 12th Student Research Conference

## **SCHEDULE**

April 26 <sup>th</sup> Cēsu street 4, Valmiera, Latvia, LV-4201 9:00-10:00 Ground floor hall Registration	April 25 <sup>th</sup>	Tērbatas street 1	0, Valmiera, Latvia, LV-4201
April 26th Cēsu street 4, Valmiera, Latvia, LV-4201  9:00-10:00 Ground floor hall Registration  9:00-10:00 First floor hall Coffee  10:00-10:15 Room A Conference opening  10:15-12:40 Room A Keynote speakers section  12:40-14:00 First floor hall Lunch  14:00-15:00 Room A E-learning management and technologies, Virtual reality technologies and visualization  14:00-15:00 Room B Sustainable national economy and knowledge society, Communication ecosystem and technologies  14:00-15:00 Room D 12th Student Research Conference  15:00-15:20 First floor hall Coffee  15:20-16:40 Room B Sustainable national economy and knowledge society. Communication ecosystem and technologies and eco-buildings  15:20-16:40 Room B Sustainable national economy and knowledge society. Communication ecosystem and technologies, Virtual reality technologies and visualization  15:20-16:40 Room B Sustainable national economy and knowledge society, Communication ecosystem and technologies  15:20-16:40 Room C Socio-technical system modelling, Smart technologies and eco-buildings  15:20-16:40 Room D 12th Student Research Conference  15:20-16:40 Room D 12th Student Research Conference	19:00-20:00	and cooperation possibilities. Meeting with international conference	
9:00-10:00 Ground floor hall Registration 9:00-10:00 First floor hall Coffee 10:00-10:15 Room A Conference opening 10:15-12:40 Room A Keynote speakers section 12:40-14:00 First floor hall Lunch 14:00-15:00 Room A E-learning management and technologies, Virtual reality technologies and visualization 14:00-15:00 Room B Sustainable national economy and knowledge society, Communication ecosystem and technologies 14:00-15:00 Room C Socio-technical system modelling, Smart technologies and eco-buildings 14:00-15:00 Room D 12 <sup>th</sup> Student Research Conference 15:00-15:20 First floor hall Coffee 15:20-16:40 Room A E-learning management and technologies, Virtual reality technologies and visualization 15:20-16:40 Room B Sustainable national economy and knowledge society, Communication ecosystem and technologies 15:20-16:40 Room C Socio-technical system modelling, Smart technologies and visualization 15:20-16:40 Room C Socio-technical system modelling, Smart technologies and eco-buildings 15:20-16:40 Room D 12 <sup>th</sup> Student Research Conference 16:40-17:10 First floor hall Coffee 17:10-17:30 Room A Closing remarks	20:00-22:00	Welcome dinner and networking event	
9:00-10:00 First floor hall Coffee  10:00-10:15 Room A Conference opening  10:15-12:40 Room A Keynote speakers section  12:40-14:00 First floor hall Lunch  14:00-15:00 Room A E-learning management and technologies, Virtual reality technologies and visualization  14:00-15:00 Room B Sustainable national economy and knowledge society, Communication ecosystem and technologies  14:00-15:00 Room C Socio-technical system modelling, Smart technologies and eco-buildings  14:00-15:00 Room D 12 <sup>th</sup> Student Research Conference  15:00-15:20 First floor hall Coffee  15:20-16:40 Room A E-learning management and technologies, Virtual reality technologies and visualization  15:20-16:40 Room B Sustainable national economy and knowledge society, Communication ecosystem and technologies  15:20-16:40 Room C Socio-technical system modelling, Smart technologies and eco-buildings  15:20-16:40 Room D 12 <sup>th</sup> Student Research Conference  15:00-17:10 First floor hall Coffee  17:10-17:30 Room A Closing remarks	April 26 <sup>th</sup>	Cēsu street 4, Valmiera, Latvia, LV-4201	
10:00-10:15 Room A Conference opening 10:15-12:40 Room A Keynote speakers section  12:40-14:00 First floor hall Lunch 14:00-15:00 Room A E-learning management and technologies, Virtual reality technologies and visualization  14:00-15:00 Room B Sustainable national economy and knowledge society, Communication ecosystem and technologies 14:00-15:00 Room C Socio-technical system modelling, Smart technologies and eco-buildings 14:00-15:00 Room D 12 <sup>th</sup> Student Research Conference  15:00-15:20 First floor hall Coffee 15:20-16:40 Room A E-learning management and technologies, Virtual reality technologies and visualization 15:20-16:40 Room B Sustainable national economy and knowledge society, Communication ecosystem and technologies 15:20-16:40 Room C Socio-technical system modelling, Smart technologies and eco-buildings 15:20-16:40 Room D 12 <sup>th</sup> Student Research Conference 16:40-17:10 First floor hall Coffee 17:10-17:30 Room A Closing remarks	9:00-10:00	Ground floor hall	Registration
10:15-12:40 Room A Keynote speakers section  12:40-14:00 First floor hall Lunch  14:00-15:00 Room A E-learning management and technologies, Virtual reality technologies and visualization  14:00-15:00 Room B Sustainable national economy and knowledge society, Communication ecosystem and technologies  14:00-15:00 Room C Socio-technical system modelling, Smart technologies and eco-buildings  14:00-15:00 Room D 12 <sup>th</sup> Student Research Conference  15:00-15:20 First floor hall Coffee  15:20-16:40 Room A E-learning management and technologies, Virtual reality technologies and visualization  15:20-16:40 Room B Sustainable national economy and knowledge society, Communication ecosystem and technologies  15:20-16:40 Room C Socio-technical system modelling, Smart technologies and eco-buildings  15:20-16:40 Room D 12 <sup>th</sup> Student Research Conference  16:40-17:10 First floor hall Coffee  17:10-17:30 Room A Closing remarks	9:00-10:00	First floor hall	Coffee
12:40-14:00First floor hallLunch14:00-15:00Room AE-learning management and technologies, Virtual reality technologies and visualization14:00-15:00Room BSustainable national economy and knowledge society, Communication ecosystem and technologies14:00-15:00Room CSocio-technical system modelling, Smart technologies and eco-buildings14:00-15:00Room D12th Student Research Conference15:00-15:20First floor hallCoffee15:20-16:40Room AE-learning management and technologies, Virtual reality technologies and visualization15:20-16:40Room BSustainable national economy and knowledge society, Communication ecosystem and technologies15:20-16:40Room CSocio-technical system modelling, Smart technologies and eco-buildings15:20-16:40Room D12th Student Research Conference16:40-17:10First floor hallCoffee17:10-17:30Room AClosing remarks	10:00-10:15	Room A	Conference opening
14:00-15:00 Room A E-learning management and technologies, Virtual reality technologies and visualization  14:00-15:00 Room B Sustainable national economy and knowledge society, Communication ecosystem and technologies  14:00-15:00 Room C Socio-technical system modelling, Smart technologies and eco-buildings  14:00-15:00 Room D 12 <sup>th</sup> Student Research Conference  15:00-15:20 First floor hall Coffee  15:20-16:40 Room A E-learning management and technologies, Virtual reality technologies and visualization  15:20-16:40 Room B Sustainable national economy and knowledge society, Communication ecosystem and technologies  15:20-16:40 Room C Socio-technical system modelling, Smart technologies and eco-buildings  15:20-16:40 Room D 12 <sup>th</sup> Student Research Conference  16:40-17:10 First floor hall Coffee  17:10-17:30 Room A Closing remarks	10:15-12:40	Room A	Keynote speakers section
reality technologies and visualization  14:00-15:00 Room B Sustainable national economy and knowledge society, Communication ecosystem and technologies  14:00-15:00 Room C Socio-technical system modelling, Smart technologies and eco-buildings  14:00-15:00 Room D 12th Student Research Conference  15:00-15:20 First floor hall Coffee  15:20-16:40 Room A E-learning management and technologies, Virtual reality technologies and visualization  15:20-16:40 Room B Sustainable national economy and knowledge society, Communication ecosystem and technologies  15:20-16:40 Room C Socio-technical system modelling, Smart technologies and eco-buildings  15:20-16:40 Room D 12th Student Research Conference  16:40-17:10 First floor hall Coffee  17:10-17:30 Room A Closing remarks	12:40-14:00	First floor hall	Lunch
society, Communication ecosystem and technologies  14:00-15:00 Room C Socio-technical system modelling, Smart technologies and eco-buildings  14:00-15:00 Room D 12 <sup>th</sup> Student Research Conference  15:00-15:20 First floor hall Coffee  15:20-16:40 Room A E-learning management and technologies, Virtual reality technologies and visualization  15:20-16:40 Room B Sustainable national economy and knowledge society, Communication ecosystem and technologies  15:20-16:40 Room C Socio-technical system modelling, Smart technologies and eco-buildings  15:20-16:40 Room D 12 <sup>th</sup> Student Research Conference  16:40-17:10 First floor hall Coffee  17:10-17:30 Room A Closing remarks	14:00-15:00	Room A	
technologies and eco-buildings  14:00-15:00 Room D 12 <sup>th</sup> Student Research Conference  15:00-15:20 First floor hall Coffee  15:20-16:40 Room A E-learning management and technologies, Virtual reality technologies and visualization  15:20-16:40 Room B Sustainable national economy and knowledge society, Communication ecosystem and technologies  15:20-16:40 Room C Socio-technical system modelling, Smart technologies and eco-buildings  15:20-16:40 Room D 12 <sup>th</sup> Student Research Conference  16:40-17:10 First floor hall Coffee  17:10-17:30 Room A Closing remarks	14:00-15:00	Room B	,
15:00-15:20First floor hallCoffee15:20-16:40Room AE-learning management and technologies, Virtual reality technologies and visualization15:20-16:40Room BSustainable national economy and knowledge society, Communication ecosystem and technologies15:20-16:40Room CSocio-technical system modelling, Smart technologies and eco-buildings15:20-16:40Room D12th Student Research Conference16:40-17:10First floor hallCoffee17:10-17:30Room AClosing remarks	14:00-15:00	Room C	
15:20-16:40 Room A E-learning management and technologies, Virtual reality technologies and visualization  15:20-16:40 Room B Sustainable national economy and knowledge society, Communication ecosystem and technologies  15:20-16:40 Room C Socio-technical system modelling, Smart technologies and eco-buildings  15:20-16:40 Room D 12 <sup>th</sup> Student Research Conference  16:40-17:10 First floor hall Coffee  17:10-17:30 Room A Closing remarks	14:00-15:00	Room D	12 <sup>th</sup> Student Research Conference
reality technologies and visualization  15:20-16:40 Room B Sustainable national economy and knowledge society, Communication ecosystem and technologies  15:20-16:40 Room C Socio-technical system modelling, Smart technologies and eco-buildings  15:20-16:40 Room D 12 <sup>th</sup> Student Research Conference  16:40-17:10 First floor hall Coffee  17:10-17:30 Room A Closing remarks	15:00-15:20	First floor hall	Coffee
society, Communication ecosystem and technologies  15:20-16:40 Room C Socio-technical system modelling, Smart technologies and eco-buildings  15:20-16:40 Room D 12 <sup>th</sup> Student Research Conference  16:40-17:10 First floor hall Coffee  17:10-17:30 Room A Closing remarks	15:20-16:40	Room A	
technologies and eco-buildings  15:20-16:40 Room D 12 <sup>th</sup> Student Research Conference  16:40-17:10 First floor hall Coffee  17:10-17:30 Room A Closing remarks	15:20-16:40	Room B	
16:40-17:10First floor hallCoffee17:10-17:30Room AClosing remarks	15:20-16:40	Room C	
17:10-17:30 Room A Closing remarks	15:20-16:40	Room D	12 <sup>th</sup> Student Research Conference
3	16:40-17:10	First floor hall	Coffee
19:00-21:00 Gala dinner*	17:10-17:30	Room A	Closing remarks
	19:00-21:00		Gala dinner*

<sup>\*</sup>The restaurant will be specified at the day of the Conference
